## **DETAILED ACTION**

### ***Information Disclosure Statement***

The information disclosure statement (IDS) that was submitted on 2/26/2008 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner is considering the information disclosure statement.

### ***Allowable Subject Matter***

Claims 1-15 are allowed over the prior art of record as filed in the 2/26/2008 reply.

The following is an examiner's statement of reasons for allowance: The claims in this application have been allowed because the prior art of record fails to disclose either singly or in combination the claimed method of inserting a multi-lumen catheter assembly by making an incision is made near the area to be catheterized. The proximal portion of the multi-lumen catheter tube is then inserted into the area to be catheterized. A subcutaneous tunnel is created, with the first end of the tunnel created near the incision site. The catheter tube is then routed through the subcutaneous tunnel and pulled through a second end of the subcutaneous tunnel. The catheter hub body is then securely attached to the catheter tube by connecting the connection cover to the hub body by threaded engagement and by backfitting the connection cover over the catheter tube.

The closest prior art of record is Mahurkar et al. (USPN5,221,255), however these references do not disclose as claimed or described above.

Regarding claims 1, 7, and 12 the closest prior art of record fails to teach among all the limitations or render obvious the subsequent to routing of the distal portion of the catheter tube through the subcutaneous tunnel, attaching the proximal end of each extension tube to the distal portion of the catheter tube and attaching the distal end of each extension tube to a hemodialysis fluid circulation device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
